Application No. 10/576,770	:	DECISION ON PETITION
Filed: April 21, 2006	:	PURSUANT TO
Attorney Docket Number: 102792-	:	37 C.F.R. § 1.137(a)

Title: ARTICLE AND METHOD	:	

This is a decision on the petition filed February 1, 2008, pursuant to 37 C.F.R. § 1.137(a), to revive the above-identified application.

The petition is **DISMISSED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action, mailed May 4, 2007, which set a shortened statutory period for reply of three months. No response was received, and no extensions of time under the provisions of 37 C.F.R. § 1.136(a) were requested. Accordingly, the above-identified application became abandoned on August 5, 2007. A notice of abandonment was mailed on December 6, 2007.

Section 711.03(c)(I)(A) sets forth, in toto:

In *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971), the court decided that the Office should mail a new Notice of Allowance in view of the evidence presented in support of the contention that the applicant's representative did not receive the original Notice

Decision on Petition pursuant to Rule 1.137(a)

of Allowance. Under the reasoning of *Delgar*, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action. That is, the reasoning of *Delgar* is applicable regardless of whether an application is held abandoned for failure to timely pay the issue fee (35 U.S.C. 151) or for failure to prosecute (35 U.S.C. 133).

To minimize costs and burdens to practitioners and the Office, the Office has modified the showing required to establish nonreceipt of an Office action. The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.

The showing outlined above may not be sufficient if there are circumstances that point to a conclusion that the Office action may have been lost after receipt rather than a conclusion that the Office action was lost in the mail (e.g., if the practitioner has a history of not receiving Office actions).

Evidence of nonreceipt of an Office communication or action (e.g., Notice of Abandonment or an advisory action) other than that action to which reply was required to avoid abandonment would not warrant withdrawal of the holding of abandonment. Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment. See *Lorenz v. Finkl*, 333 F.2d 885, 889-90, 142 USPQ 26, 29-30 (CCPA 1964); *Krahn v.*

Decision on Petition pursuant to Rule 1.137(a)

Commissioner, 15 USPQ2d 1823, 1824 (E.D. Va 1990); *In re Application of Fischer*, 6 USPQ2d 1573, 1574 (Comm'r Pat. 1988).

A grantable petition pursuant to 37 C.F.R. § 1.137(a) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in 37 C.F.R. § 1.17(1);
- (3) A showing to the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unavoidable, and;
- (4) Any terminal disclaimer (and fee as set forth in 37 C.F.R. § 1.20(d)) required pursuant to paragraph (d) of this section.

With this petition, Petitioner has submitted a response to the non-final Office action. The petition fee will be charged to Petitioner's Deposit Account in due course. As such, Petitioner has met requirements (1) and (2) of Rule 1.137(a). The fourth requirement is not applicable, as no terminal disclaimer is required.

Regarding the third requirement of Rule 1.137(a), Petitioner has not established that the entire period of delay was unavoidable, pursuant to the discussion below.

Petitioner has asserted that the Office action was not received at the correspondence address of record¹, and has provided a copy of the master docket report showing all replies docketed for a date three months from the mail date of the allegedly nonreceived Office action.

However, it does not appear that Petitioner has set forth that a **search** of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received.

Moreover, it does not appear that Petitioner has included a **statement describing the system** used for recording an Office action received at the correspondence address of record with the USPTO. Petitioner is reminded that any such statement that is

¹ See paragraph 4 of Manfredi affidavit.

provided on renewed petition should establish that the docketing system is sufficiently reliable.

Any reply must be submitted within **TWO MONTHS** from the mail date of this decision. Extensions of time under 37 C.F.R. § 1.136(a) are permitted. The reply should include a cover letter entitled "Renewed Petition pursuant to 37 C.F.R. § 1.137(a)." This is not a final agency action within the meaning of 5 U.S.C § 704.
